

Workers Comp, Child Labor Laws, Sexual Harassment Training

Required Assignment

1. Please go through each slide in the slide show.
2. After you have looked at each slide, write one page about what you have learned. Some of the topics you should cover are:
 - What you should do if you are injured while at your internship site
 - If the child labor laws and the 17 hazardous occupations apply to you
 - Types of sexual harassment
 - What you should do if you are being harassed at your internship site
 - How did you do on the case scenarios?
